- (f) A minimum of 3 MRA Registered cars per class must be entered in the relevant meeting (ie entry paid and scrutineered) for the maximum points to be awarded. If only 2 cars in a class are entered, then maximum points awarded are 12, 10. If only 1 car is entered, then maximum points are 10.
- (g) Registrants will receive points for the class for which they have registered, or have been assigned by the Championship Eligibility Officer
- (h) The Championship Eligibility Officer can examine registrants' vehicles at any time.
- (i) If a vehicle's classification is found to have been incorrect in prior rounds, the vehicle is re-classified AND the registrants Vehicle Declaration contained in his/her Registration Form is found to be incorrect, then Class points gained in those rounds will be forfeited and future points will be allocated to the new Class.
- (j) If a vehicle's classification is found to have been incorrect in prior rounds, the vehicle is re-classified AND the registrants Vehicle Declaration contained in his/her Registration Form is found to be correct, then the Class point scores will be amended to reflect that the vehicle had competed in prior rounds in the reclassified Class and future Class points will be allocated to the new Class.
- (k) A registrant once having presented his/her vehicle to scrutineering will be deemed to have participated in the event.

9. Outright Championship

- a) The MRA Annual Awards Presentation will recognise the Outright Champion, 2nd and 3rd, for categories with more than five registered cars that have competed in the class. In the event of a draw for the title of either Outright Champion or Class Winner, the competitor with the most wins will be declared the winner.
- b) The registrant scoring the highest amount of Outright Championship points will be declared Outright Champion.
- c) In the event of a tie, the Outright Champion will be determined by a count back of race wins.

10. Class Championship

- a) Class Championship points means the aggregate of Class points scored during The Championship.
- b) The registrant in each Class scoring the highest amount of Class Championship points will be declared Class Champion of the relevant class.
- c) In the event of a tie, the Class Champion will be determined by a count back of class placings at those Rounds where the tied registrants did all compete. If that fails to break the deadlock, then the tied registrant having the lowest aggregate of times at those Rounds where all the tied registrants did compete shall be declared Champion of the relevant Class.
